EDUCATION

UPES – Ongoing Dehradun
MBA May 2027
Emphasis: Marketing

G L Bajaj Institute of Technology & Management – Percentage: 71.8 Greater Noida
B. Tech May 2021
Emphasis: Mechanical

St Francis College – Percentage: 66.8 Lucknow
12th ISC, PCM May 2017

St Francis college – Percentage: 80.3 Lucknow
10th ICSE May 2015

EXPERIENCE

Midland Agro Pvt. Ltd. Lucknow, UP
Sales Associate Jun 2024 – Dec 2025

- Managed and grew B2B relationships with **80+ dealer accounts** across assigned territory, strengthening **customer retention and repeat-order cycles**, supporting **brand loyalty**.
- Prepared and presented B2B **custom pricing quotes** and sales proposals for corporate clients, supporting pricing discussions and order conversion for **100+ units**.
- Coordinated with warehouse and logistics teams for order fulfillment and supply chain coordination, ensuring **accurate, on-time delivery of bulk orders**.
- Performed **sales data analysis** across dealer accounts to identify top-performing products and underperforming territories, supporting territory management and **targeted sales strategies**.

PROJECTS

KERS in a bicycle using a flywheel, College Sep 2020 – Apr 2021

- Designed and developed a mechanical **Kinetic Energy Recovery System (KERS)** for a bicycle using a **flywheel-based energy storage** mechanism.
- Engineered a mechanism to capture **kinetic energy** during braking/deceleration and store it as **rotational energy** in a flywheel.
- Implemented an **energy release system** that transfers stored flywheel energy back to the **drivetrain** to assist acceleration.
- Improved overall bicycle **efficiency** by reducing energy loss during braking through **mechanical energy recovery**.
- Applied concepts of **energy conservation, rotational dynamics, and mechanical transmission** in a hands-on prototype.

Personal Portfolio Website Jul 2026

- Designed and built a **personal portfolio website** to showcase professional experience, skills, and projects using **AI-assisted development tools** and technical mentorship.
- Leveraged **AI tools** for rapid development, troubleshooting, and foundational web development, including **responsive design**.
- Applied modern **AI-assisted development workflows**, demonstrating **adaptability** and cross-functional learning beyond a traditional sales skill set.
